RESIDENT NOTICE

Introduction of DHA Website

On September 15, 2020, the Dublin Housing Authority launched its own website with the address: www.dublinhousingauthority.net. The motto for our agency is “Leasing New Beginnings!” Information concerning the agency’s administration, public housing neighborhoods, and contact resources all appear on the opening page. This page also has a Notices feature on it wherein important information will be made available to share to all DHA’s Stakeholders.

The site has two new tools that we have made available which include the Application for Housing module and the Resident Portal. These features allow individuals wishing to apply for housing to do it online. The HA will still require that certified copies of birth certificates, Social Security Cards, Income Verification, and a picture identification for members 18 and older be submitted as part of the application. These documents can be transmitted electronically or presented by appointment at the office located at 500 W. Mary Street.

We are requiring that each resident go to the Resident Portal to register your account. This is a simple process. Once this is done, you will be able to view your rent balance, submit work orders, as well as communicate directly to Property Managers. As always, we are prepared to assist you in any way possible with this new procedure.

STAY SAFE and HEALTHY!

Brenda B. Smith, Executive Director 9/21/20
